What it is for

Larger fitting for more commercial applications.

Product Overview

The Flathead is a downward facing flood light. Great for pathway illumination or large flower beds. Delivering 210Lm @3000k. From a Bridgelux chip set. The design is a modern take on the Mushroom. This post can be dimmed via PWM. This product comes complete with 100cm rubber cable with VDE certificated, 2x0.75sqmm². Comes with both flat fixing plate or earth spike

Options:

CCT: 2700K or 3000K (2200K special order)

Beam Angle: 180°X 80°

Finish: Black

Our commitment to sustainability goes beyond the product itself. The packaging is entirely recyclable and biodegradable, including the label ink. To reduce waste even further, it has been thoughtfully designed for reuse—making it ideal to use as a small planter for germinating seeds.
